

APCO Audio Visual understands the importance of offering our customers an edge in the marketplace. We are committed to providing the best equipment, largest selection, newest technology, competitive pricing and ongoing education and training of our staff.

APCO AV is one of the largest providers of computer and Audio Visual rental equipment in the nation. We offer computers, laptops, LCD projectors, plasmas, LCD monitors and much more by the day, week, month or longer.

We can deliver your order to any location in the U.S. within 24 hours. In many U.S. cities we offer same-day-delivery at no extra cost. Maintenance is free during your rental and our Low Price Guarantee insures that you receive the lowest rates available when you rent from APCO Audio Visual. If you find a lower rental rate we'll beat it by up to 10% guaranteed!

We supply some of the nations largest companies and their design shops with computer rentals and related equipment. We also offer only top quality equipment from the major manufacturers such as Dell, Apple, HP-Compaq, Philips, NEC, Pioneer and InFocus just to a few.

Our warehouses contain thousands of pieces of computer and Audio Visual rental equipment, enough to handle orders from one piece to hundreds of pieces.

You can order your computer and Audio Visual rental equipment by calling one of our trained sales representatives at [800-326-4456](tel:800-326-4456) or emailing us at sales@apcoav.com

For the lowest rental rates, fastest delivery and the most responsive service, APCO Audio Visual is the best choice for your technology rentals.

Our mission is to provide prompt delivery and hassle-free services from the highest quality products by the most skilled technical professionals in the computer and Audio Visual rental industry.

Put our experience to work for you at your next event!
